

Naked

Confirmation of cover

Welcome to Naked, Duan!

You're now part of a community that believes insurance should be without hassles and without hidden agendas. Time for #insurance**made**better!

This document serves as proof of insurance, underwritten by the Hollard Insurance Company (including appropriate SASRIA cover), as at the time of inception showed in the table below.

More details of cover, as well as the limits and cover highlights as usually shown in a policy schedule, is available [here](#).

The live version of your policy is shown on the app; if you make changes on the app (eg if you pause your accident cover to save premium on the days that you're not driving), it will override the cover summary shown below.

Any questions, please contact help@naked.insure or 0860 995 125 (using Policyholder ID as reference/policy number).

Kind regards

Team Naked
